Notes:

1. To qualify as a full professor, the applicant should, through his/her publications, show a highly significant or original contribution to his/her field of study.
2. To qualify as an associate professor, the applicant should, through his/her publications, show a continuous and concrete contribution to his/her field of study.
3. To qualify as an assistant professor, the applicant should, through his/her publications, show ability (more than) equal to writing a Ph.D. dissertation.
4. To qualify as an instructor, the applicant should, through his/her publications, show ability (more than) equal to writing a master thesis.
5. The levels of grading are four :
 - A (excellent): total points 90 or over 90
 - B (good) : total points 80 or over 80 but below 90
 - C (average): total points 75 or over 75 but below 80
 - D (below average): total points below 75
