Notes:

1. To qualify as a full professor, the applicant should have a continuous teaching career, a good academic achievement, and a significant contribution to his/her field of study.
2. To qualify as an associate professor, the applicant should have a continuous teaching career, a good academic achievement, and a concrete contribution to his/her field of study.
3. To qualify as an assistant professor, the applicant should show a good potential for development in his/her teaching and research.
4. The levels of grading are four : A (excellent) : total points 90 or over 90  
     B (good) : total points 80 or over 80 but below 90  
     C (average) : total points 75 or over 75 but below 80  
     D (below average) : total points below 75
